I said unto the tailor,
"Three-button cutaway.
Or something on that order.
Is what I want today."
Then spoke the tailor to me.
A man more tried and true.
"Well, something on that order
Would greatly please me, too!"

POSITIVELY

Copy for "changes" in ad-
vertisements MUST be sent
in before 2 o'clock on the
previous day.

If you have an item of news, please
call up The Ledger, Telephone 33, and let
us have it.

The Redmen's Street Fair will be held the
week of June 12th.

The venerable Aunt Eliza Johnston is quite
ill at her home in Lee street.

A good rain fell this morning which was a
boon to farmers and truck gardeners.

An Easter Social will be given at 7 o'clock
tomorrow evening at the First Baptist Church
by the Sunday-school.

A real feast to the eye—the display of
hand painted China and Sterling Easter Noveli-
ties, at Clooney's, the Jeweler.

The Rev. F. W. Harrop will deliver the regu-
lar Easter Sermon to the Knights Templars.
The service will be held at the Masonic Temple
Sunday afternoon at 3 o'clock.

Prof. Lawrence Kolfe, for the past fifteen
years Principal of Riverside Seminary, Vancou-
burg, has been elected President of Rogersville
Synodical College of Rogersville, Tenn.

Mr. and Mrs. F. H. Durham and children
have moved from this city to Salt Lick, Bath
county. They are most excellent Christian
people and what is Maysville's loss will be Salt
Lick's gain.

In another year the North Carolina poplars
that now adorn the Esplanade will have gone
where the weary are at rest. One is dead and
the others show signs of decay. The high wind
yesterday broke a large limb off one near the
fountain.

William Vogel, charged with setting up and
conducting a gambling game, appeared in Judge
Whitaker's Court with his attorney, Hon. Thom-
as Slattery, yesterday, and waived an examination.
He was held over to the June term of the Cir-
cuit Court in the sum of \$300. Bond was
given with James Pollitt as surety.

E. P. Goodwin, Superintendent, F. J. Cabell,
Superintendent Maintenance, W. G. Whitt,
Supervisor, and J. Reynolds, Supervisor, all
officials of the Cincinnati Division of the C.
and O., were here yesterday and remained over
until this morning. They were on an inspection
tour, traveling in a motor automobile. A short
distance above Vanceburg a mishap to their
motor necessitated a special train bringing
them to this city.

Elsewhere in this impression of THE LEDGER
will be found the announcement of J. L. Daulton
as a candidate for re-election as City Clerk.
Daulton is too well known to the voters and citi-
zens to need an introduction by THE LEDGER.
As a faithful and painstaking official his record
speaks for itself. He is always ready to accom-
modate those having official business to transac-
t at his office; clever, genial and polite with it
all. He is sober, industrious and faithful to
the trust reposed in him. If elected he will
still continue to do business in the same old way.

THE DELSARTE.

The interest continues to increase in Mrs.
Reid's entertainment at Washington Opera-
house next Tuesday evening. She has had the
largest audiences in all of the best towns of
the state and everything indicates a success
here. Sixty of our most popular young ladies,
little girls and young gentlemen will take part
and they cannot be excelled in their beautiful
drills, pantomimes, tableaux, etc. Many of our
best singers and readers will assist also, which
promises a highly enjoyable entertainment
throughout. Come and see the latest styles for
the ladies and Hechinger & Co.'s styles for the
gentlemen. The Winchester Sun says: "A
large and fashionable audience attended Mrs.
Reid's entertainment and all agree in pro-
nouncing it a most delightful affair." Get
your seat reserved at once at Ray's.

Double Globe Stamps at Smith's Shoe Store
Saturday.

Major James Stewart, U. S. A., retired, died
suddenly yesterday at Ft. Thomas, Newport.

John C. Adams, a long-ago lawyer of this
city, is now an occupant of the Simpson County
Poorhouse.

The home of Joseph Henderson, who resides
with his mother and invalid sister near Spring-
dale, was burned yesterday afternoon, and was
a total loss, together with the household goods,
with no insurance. Mr. Henderson was work-
ing in a nearby field when he discovered the
fire and barely had time to carry his sister out
in a chair when the roof fell in.

The Mason County Percheron Horse Associa-
tion has taken up an improvement that has long
been needed in this section, that is, improving
the size and symmetrical form and early ma-
turity of the already fine stock of horses which
must be a great source of revenue to this coun-
ty, as this class of horses will bring in ex-
port buyers and give the farmer the full value
of his horses without their passing through three
or four hands before his value is really estab-
lished.

CONTRACT SIGNED

Redmen Have Closed With The Dan
Robinson Carnival Company

The Committee has closed a contract with
the Dan Robinson Amusement Company to
furnish attractions for the coming Redmen's
Street Fair in this city, beginning June 12th.

Mr. Robinson furnished the attractions last
year, and our people know the sort of goods he
delivers.

Mr. and Mrs. Sturgis will be here again, and
there's no more popular "show people" with
Maysville folks.

Everything will be done "decently and in
order," as neither Mr. Robinson nor the local
Redmen can afford to offer anything that is not
clean and legitimate, fit to be witnessed by the
most refined.

THE AMENDED LAW

About Attaching a Man's Wages For
What He Owes

At the last session of the General Assembly
an amendment to the exemption laws of the
state was passed striking out the section
relative to wages.

This amendment took effect ninety days after
the adjournment of the Legislature.

At the same session an amendment was
passed doing away with the former provision
requiring as much as \$10 to be involved to
authorize an appeal to the Quarterly Court
from the judgment of Justices and Police
Courts, and further providing that such appeals
may be taken without bond as formerly required
where the question of exemption is involved.

The legal effect of these changes and the
various Constitutional questions arising there-
from were argued with vim and spirit in the
Quarterly Court this week by Attorneys Wood,
Coons and O'Donnell of the local bar in two
cases heard on appeal from the Police Court.

The Court on deciding these appeals ruled in
effect that under the law as amended wage-
workers are placed upon precisely the same
footings as all other persons, and that the
question in each particular case as to whether
or not the wages are exempt is to be determined
solely by whether such wages are or not in
excess of the full amount of exempt property
allowed to a debtor under general provisions of
the law—the matter as to whether the debt
was for necessities being no longer involved.

It was further decided in one of the cases on
appeal that the old law in the matter of ex-
emptions applies to the enforcement of all
debts contracted before the action of the
amendment in question.

The law as amended is much more favorable
to the wage-worker, as a class, than the old
law.

That the Legislature intended it to be so
is manifest from the provision authorizing
appeals on question of exemption without the
bond as formerly required.

The abuse by some creditors of the right to
attach wages—repeatedly resorted to in some
of the larger cities—and in some cases amount-
ing to seizure of the whole weekly earnings,
mostly for costs of the suit, is said to have
suggested to our legislators the change made
in the exemption law.

If municipal and Government ownership put an end to strikes, what is to become of the poor Walking Delegate?

CONGRATULATIONS are in order for clever MAT. HENNESSEY, just appointed Commonwealth's Attorney for this District. He deserves his good fortune—and a whole lot more.

ONE of the arguments in favor of Government ownership is that it will put an end to strikes. But Italy owns her railroads, and just now the Italian Army is engaged in protecting them from rioting strikers.

I SAW a few days ago nine good-sized packages of whisky,—all in a bunch and all from one house,—consigned to parties in Fleming county and in Carlisle. What a time "the boys" do have in the Prohibition woods.

Chicago's Water-works is a sample of "municipal ownership;" and The Tribune of that city says of it—

"The equipment is antiquated and inadequate; that in at least one-third of the city there is difficulty in supplying water above the second floor of dwellings; that the service is mismanaged; that by reason of a diversion of the profits of the department the service is twenty years behind the times; that collections of assessments are \$800,000 in arrears; that the improvement of the system is, and has been for ten years, hindered by political considerations; and finally, that the department is the victim of mechanical and supply contractors. It is estimated that it will cost at least \$25,000,000 to put the system in decent shape, and this estimate is made by the Superintendent, who is an honest and able man."

The port of Antwerp will be enlarged, at cost of \$400,000,000. The improvement will make it the largest port in the world.

John Alexander Dowie of Zion City, Chicago, has obtained options on two million acres of land in the State of Tamaulipas, Mexico.

The Cincinnati Reds have made a good start. If the list were turned down side up, they'd be next to the top.

At Munice, Ind., a local Judge has decided that a man has the right to get drunk in his own house. Thank the Lord there is some liberty left, even in a Prohibition monarchy.

Things keep coming Maysville-way right along. The sale of whisky having been prohibited in Carlisle, the shipments from this city mark quite an increase in the booze trade from this end of the line. It's a poor law that won't work like a boomerang.

Political Pickings

"SQUARE DEALS" AND IDEALS.

Louisville Courier-Journal.

"If it ever falls, and I think it will, to my lot to nominate a Board to carry out such a law, I shall nominate men, as far as I am able, on whose ability, courage and integrity I can count; men who will not be swayed by any influence whatever, direct or indirect, social, political or any other, to show improper favoritism for the railroads, and who, on the other hand, if a railroad is unjustly attacked, no matter if the attack has behind it the feeling of prejudice of 90% of the people, will stand up against the attack. That is my interpretation of the doctrine of the 'square deal.'" —President Roosevelt to the Texas Legislature.

In these words the President told of the kind of men he intended to appoint on the Interstate Commerce Commission in the event Congress should pass a law giving the Commission control of rates. He has defined here an ideal public servant. This is the sort that should be in every public office in the land. This is the kind the founders of the Nation must have had in mind when they worked out the magnificent system of government prescribed in the Constitution.

With every Constable, Magistrate, Alderman, Mayor, Legislator, Judge, their superiors, subordinates and aids, following strictly this doctrine of "the square deal," life in America would be one grand, sweet song, indeed.

But there is mighty little idealism in practical politics, and so we find all over the country men who regard "public office as a private snap," who show favoritism whenever they feel like it, and have not the courage to stand up for right as they see it if an unreasonable popular prejudice takes the other side.

Some day things may be otherwise, but ideal officers are very rare in this the fifth year of the Twentieth Century.

"There Isn't One Really Good Printer in Five Hundred."

Printers' Ink—the leading journal on publicity of all kinds—has the following to say: "There are thousands of printers in this country, good, indifferent, and a lot of bad ones. There isn't one really good printer in five hundred. Intelligent advertisers are willing to pay for good printing, no matter where it comes from."

Printers' Ink knows what it is talking about. Poor printing is a bad investment—it's worse than a blank. A business man's stationery or booklet is like a traveling man—if it's neat, well-dressed and to the point, the first impression is good and your chances of doing business on the strength of it are good.

We realize this. We keep abreast of the times. We know what good printing is and produce it. We are pretty careful not to let a bum job get onto our presses. No press in the country equals our printing and we want you to know it.

John N. Wooliscroft, the Cincinnati grain broker, died a poor man. The application yesterday to have Oliver P. Tucker, Banker, appointed Administrator, showed the estate to be worth but \$300. His widow and two daughters, however, are comfortably provided for by two insurance policies.

Mrs. Mary Merrill, a sister of Congressman J. B. Bennett, met with a distressing accident near Greenup a few days ago. A horse she was driving became frightened at a train and she got out to hold it, when it jerked her down and stepped on her, dragging the buggy over her, breaking her shoulder blade and dislocating her elbow.

The towboat Robert P. Gilham was let off the ways at Ft. Pleasant Tuesday, where she has been for several weeks having her hog-chains tightened. She will bring a tow down in a few days.

The general offices of the Huntington and St. Louis Towboat Company, a subsidiary company of the Monongahela River Consolidated Coal and Coke Company, have been moved from Cincinnati to Cairo. This change was made because the bulk of the business of the Huntington and St. Lou's Company is much nearer Cairo than Cincinnati.

Captain John Sweeney and crew of the Queen City deny that the Negro deckhand, "Wabash," of Cincinnati, was kicked off the boat by Mate James Connelly, near Bellaire. The Negro fell from a gangplank with a box of shoes on his shoulder, and was drowned before the crew could rescue him. The coroner at St. Clairsville exonerated the Mate and others of the crew.

HANDS CRACKED AND PEELED

Suffered for One Year—Water Caused Agony, Heat Intense Pain—Grew Worse Under Doctors—Could Not Do Any Housework.

ANOTHER WONDERFUL CURE BY CUTICURA

"About a year ago my hands began to crack and peel. I tried many remedies, but they grew worse all the time. At last they became so sore that it was impossible for me to do my housework. If I put my hands in water, I was in agony for hours; and if I tried to cook over the stove, the heat caused intense pain. I consulted a doctor, but his prescriptions were utterly useless. I gave him up and tried another, but without the least satisfaction. About six weeks ago I got my first relief when I purchased Cuticura Soap and Ointment. After using them for a week, I found to my great delight that my hands were beginning to feel much better. The deep cracks began to heal up and stop running, and to-day my hands are entirely well. The one cake of Cuticura Soap and one box of Cuticura Ointment being all that I used." (signed) Mrs. Minnie Drew, 18 Dana St., Roxbury Mass."

Soak the hands or feet on retiring in a strong, hot, creamy lather of Cuticura Soap. Dry and anoint freely with Cuticura Ointment, the great skin cure. Wear on the hands during the night old, loose gloves, or bandage the feet lightly in old, soft cotton or linen. Cuticura Soap, Ointment, and Pills are sold throughout the world. ONLY ONE.

The Record in Maysville is a Unique One.

If the reader has a "bad back" or any kidney ill and is looking for relief and cure, better depend on the only remedy endorsed by people you know. Doan's Kidney Pills relieve quickly—cure permanently. Maysville citizens testify to this. Here is a case of it:

Henry Bertram, shoemaker, of 27 East Third St., Maysville, Ky., says:

"I believe everybody in Maysville has read in the papers the testimony I gave in March, 1900, about Doan's Kidney Pills, for I have been asked again and again by residents of this town if that statement were true. For the benefit of persons who may now be suffering from forms of kidney trouble I repeat my testimony. Before I got Doan's Kidney Pills at J. Jas. Wood & Son's Drugstore I had suffered for some time with backache and a tired feeling and heaving aching in and about the kidneys. Being a shoemaker I thought my trouble was caused by my work, for every time I took a cold it settled in my back, but Doan's Kidney Pills quickly rid me of the trouble, and never from that time to this have I had any cause to complain of my back or kidneys. Doan's Kidney Pills perform exactly what they promise, and to be honest with you, I will say that in my opinion there is no remedy for kidney disorders equal to Doan's Kidney Pills."
